CAMP FIRE POLICY

Camp fires are only permitted for the purposes of cooking food, warmth and recreational enjoyment.

Any person that sets a camp fire must:

- (a) be 18 years or older.
- (b) only burn dry seasoned wood.
- (c) have a suitable means of extinguishing the fire completely.
- (d) ensure it is constantly attended.
- (e) completely extinguish the fire before leaving the burn site.

A person may set a camp fire if:

- (f) it is between 10 am and 11pm.
- (g) the fire is contained in a non-combustible container.
- (h) the fire is no larger than 61 cm wide by 61 cm long by 61 cm high.
- (i) the fire is at least 4m from any building structure.

Camp fires are NOT permitted when:

- (j) there is a fire ban in place.
- (k) the wind exceeds 16 km/h. The wind speed is posted at www.theweathernetwork.com.
- (l) the smoke creates a nuisance to your neighbors.
